## AREA OF EXPERTISE

As Brokerage Associate with Colliers International in Greater Cincinnati, Ben Davis concentrates on tenant and landlord representation for industrial clients in the Cincinnati/Northern Kentucky area.

Ben started his career in commercial real estate serving as a national account manager for a maintenance service company serving a national REIT client. He was responsible for the overall account implementation and performance, client satisfaction and vendor management. Prior to that role, Ben served as the strategic initiatives manager where he oversaw the design and integration of a custom iPad application which enabled the sales team to operate more efficiently in the field.

With his strong sales background and account management capabilities, Ben strives to deliver the best possible experience for each one of his clients.
